Welcome

It is with great pleasure I welcome you to the Cream of the Crop Sale on behalf of the Bunya Sales Group held at the Coolabunia Selling Complex, Kingaroy. A draft of 30 head from 8 Vendors has been catalogued for your competition.

All females in the Cream of the Crop sections will be vaccinated, mouthed and pregnancy tested. Females will be pre-treated for ticks and pre-scratched, allowing immediate delivery to clean country following the sale. We have implemented some exciting initiatives giving buyers the opportunity to bid online through the Elite Livestock Auctions platform.

This year some of our Vendors have opted to verify by DNA, parentage of their females. This information can be found on each individual Lot. Further testing results will be printed on the Supplementary Sheet which is available from Friday 27th November.

Immediately following the Cream of the Crop Sale Margaret Wilson will be dispersing her "Truvalle" Herd.

We invite you to attend on Friday 27th November with viewing of Females from 3pm. An impressive line-up of Females will excite everyone, whether you're looking for quality additions to your stud or larger numbers for your commercial herd this is a sale not to be missed. With record cattle prices and a strong seasonal outlook, now is the time to add some quality females to your breeding herd.

Looking forward to your attendance at this year's Cream of the Crop Droughtmaster Female Sale.

Graham Brown
Sale Chairman

TRUVALLE STUD

The Truvalle Droughtmaster Stud No 22, is situated at 'The Valley', south of Blackbutt, in South East Queensland. While the original size was 4000 acres, 'The Valley' now consists of about 178 hectares of undulating gum and iron bark ridges, sandy loam soil with native and improved pasture.

It has its name well engraved on the historical annals of the Droughtmaster Society, as one of the more influential Droughtmaster enterprises, always operating with distinction.

The foundation of Truvalle Stud started with the purchase of the sire Mungalla King, at the RNA Brisbane Royal stud sales, in 1961, followed in 1962 by the purchase of Mungalla Duke at the RNA Show Sale.

In June 1962, 108 in-calf Brahman cross heifers were purchased from Central Queensland.

Joseph Newman Wilson joined the Droughtmaster Society in August 1962.

In 1965, 14 registered Droughtmaster heifers were added to the herd, from K. McLean's, Bellevue herd.

In 1966 Truvalle Stud was registered with the owners being J N & F B Wilson. And in the same year at the Rockhampton Droughtmaster Sale, Rainbow Texas 3rd was purchased.

In 1967 at the RNA Show Sale, the top priced Droughtmaster bull, Valley Chief, was purchased.

The partnership later was changed to J N Wilson & Son, when their son, Peter, joined the partnership.

On Joseph's passing, in 1978, their son Peter, and wife, Margaret, took on the responsibility of the herd.

They continued to progressively build the stud into an influence within the breed and to hold the respect of the industry.

In its early days Truvalle Stud ran up to 250 stud females.

The Stud then regularly offered an average of 20 bulls, annually, between 24 and 36 months of age. After selling part of The Valley, Peter purchased The Range in the Nanango area and ran half of the herd there.

After Peter's passing in 2002, Margaret, and her son, Cameron continued to operate for a while as J N Wilson & Son, and later to Margaret C Wilson. After Alexander Hammond, Peter's cousin, arrived at The Valley, Cameron and his wife, Trinity, moved to The Range.

Throughout the history of Truvalle Stud, the main bull-selling venue has been Rockhampton, with other selling venues being Toogoolawah and Moreton Saleyards, Gympie, Coolabunia, and Roma, often topping those sales.

A Truvalle steer prepared by the Janke brothers was Grand Champion and supreme exhibit of the Toowoomba show.

Truvalle has purchased its sires from the Studs: Delaney, Strathfield, Billabong, Glen Houghton, Alcheringa, Clonlara, Canelands, Valley, Minlacowie, Swan, Coolalinga, Wingfield, Woodbine, Alma, Garthowen, Huntly, Dalmally, Talgai, Lorandale, Oakmore, Brigalow Park, and Vale View.

Through the history of Truvalle Stud, it has had some very significant achievements, having, at the time, set record making prices and stud show achievements....

At the Droughtmaster Feature show for 1972, Truvalle Stud was awarded Grand Champion Bull with Truvalle Dalkeith, Grand Champion Female with Truvalle Fleur, and won the Breeders Group section.

In 1974 Truvalle Cain led the Droughtmaster breed in the National "Sire of the Year" contest sponsored by the Queensland Country life and Country Life NSW.

Also in 1974 Truvalle Fabian was awarded Grand Champion Bull at the Brisbane RNA.

He went on to become Beef Sire of the Year in two years of showing, 1977-1978. When sold he continued to sire champion stud stock.

In 1985 Truvalle Nelly with calf at foot, sold for the record price of \$4,800.

In 1987 Truvalle Margaret, with bull calf at foot, sold for \$5,000.

Also in 1987 Truvalle Treasure with her bull calf was Grand Champion Female at the Brisbane RNA.

In 1989 Truvalle Valkyrie was the top priced cow and calf selling for \$6,000, at the Gympie Droughtmaster Female Sale.

Also that same year, 1989, at the same sale, Truvalle Adelaide, a 17 month heifer sold for a world record price of \$10,000 to Jaybees Stud, Mt. Larcom.

In 1990 Truvalle Racy V was the top priced unjoined heifer for \$2,800 at the Gympie Droughtmaster Female Sale.

In 1991 at the 10th Annual Gympie Female Sale, Truvalle Token III was top priced female with bull calf at foot for \$4,000.

In 2004 at the 23rd Annual South East Queensland Female Sale at Gympie, Truvalle Magpie V was the top priced female selling for \$7,000.

Truvalle also has had successful store cattle sales mainly at the Shepherdson and Boyd Toogoolawah Saleyards and has proudly supplied the foundation stud stock for many Droughtmaster Studs.

The Truvalle Stud has sold cattle throughout Australia and overseas, including Taiwan, Malaysia and China, always aiming to breed hardy, rugged cattle, of quiet temperament and good conformation, that thrive in all conditions.

In the event that a Lot is alleged or proved not to be a Breeder, the Purchaser shall nevertheless be obliged to pay the Auctioneer the full price and any other moneys or interest payable by the Purchaser in accordance with these Terms and Conditions.
- g) **Unjoined Females:** Should the purchaser of an unjoined female prove through a pregnancy diagnosis (by a qualified veterinarian) within six weeks of the sale, that the animal is more than six weeks

in calf, then the purchaser has the right to annul the sale and have the animal returned to the vendor (at the vendor's expense) for a full refund, provided the purchaser and the vendor cannot negotiate a mutually agreeable settlement. The only exception being when the auctioneer states from the selling box during the sale of the animal in question, that it is possible the animal may be in calf.

The Auctioneer reserves the right, at its absolute discretion, to exclude from the Sale, or put out of the Sale venue or dispose of, any Lot which in its opinion shows sign of any disease, whether infectious, contagious or not or of any serious fault or of being dangerous.

as recommended terms and conditions only.**

CHAPTER ONE – PRELIMINARY

1. (a) A vendor is bound by these terms and conditions by offering livestock for sale by auction.
(b) An agent (which includes an auctioneer) is bound by these terms and conditions by conducting an auction sale.
(c) A buyer is bound by these terms and conditions by bidding at auction.
2. (a) In these terms the expression auctioneer, agent, buyer and vendor respectively includes the servants, contractors, agents of each of them. The auctioneer, agent, buyer and vendor shall be wholly responsible for the acts and omissions of their respective servants, contractors and agents. The term "auctioneer" includes, so far as the law and context permits, the vendor's agent.
(b) When used in these terms the expressions "companion animals" means all animals originating from the same property on a particular day. Where lots are split and sent to multiple establishments, then all of these animals shall be regarded as companions.
3. The following applies in interpreting these terms and conditions:
 - (a) The following words have the following meanings:

Fees means all levies, charges, fees, costs and other expenses incurred or relating to these terms and conditions and the sale and purchase of livestock including, without limitation, transaction levies, yard and weigh dues, cartage, advertising and rebates, and whether paid for, or incurred, by the agent;

Livestock means animals auctioned pursuant to these terms and conditions; and

Price means the amount at which the lot has been sold to the buyer referred to in clause 7 of these terms and conditions

 - (i) plus any Fees and other expenses incurred in relation to the purchase of livestock that are payable by the buyer; and
 - (ii) plus any GST added in accordance with clause 12.
 - (b) These terms and conditions are subject to legislation or regulation in the State in which the auction is conducted and in the event of any conflict then the legislation or regulation will prevail. The provisions of these terms and conditions are in addition to, and do not derogate from, the duties and rights of vendors, agents and buyers set out in legislation and regulation in the State in which the auction is conducted.

CHAPTER TWO – STANDARD TERMS OF SALE

4. Subject to any reserve price, and to the right, prior to the fall of the hammer, of the vendor to withdraw any lot without declaring the reserve, the highest bidder shall be the buyer.
5. The auctioneer has the right to bid on behalf of the vendor provided that right is notified prior to the commencement of the sale and is subject to State law.
6. A bid cannot be made or accepted after the fall of the hammer unless, in accordance with clause 8, the auctioneer decides to put the lot up again.
7. The last price called by the auctioneer at the fall of the hammer shall be the amount at which the lot has been sold.
8. In the event of a disputed bid, the auctioneer is the sole arbitrator of the successful bidder or the auctioneer may decide to put the lot up again. The auctioneer's decision is final.
9. The auctioneer may refuse to accept any bid which, in the auctioneer's opinion, is not in the best interest of the vendor and need not give reasons for doing so.
10. A bidder shall be deemed to be a principal unless, prior to bidding, the bidder has given to the auctioneer a copy of written authority to bid for or on behalf of another person.
11. The successful bidder at a livestock auction sale must give to the auctioneer at the fall of the hammer:
 - (a) the purchaser's name; or
 - (b) the bid card number which identifies the purchaser; or
 - (c) the name of the person on whose behalf the successful bid was made; and
 - (d) the Property Identification Code (known as the "PIC") of destination.
12. The auction shall be conducted on the basis that the bid price shall be exclusive of Goods and Services Tax (GST). GST shall be added after the fall of the hammer for those sales subject to GST.
13. As soon as practicable after the fall of the hammer, the buyer shall if requested by the agent, sign the agreement for sale.
14. If a buyer does not comply with any of these terms and conditions, which includes the requirements of State law, any livestock knocked down to that buyer may be re-sold by public auction or private contract in whatever lots and manner the auctioneer decides. The re-sale may be with or without notice and shall be at the buyer's risk. The buyer is responsible for all loss and expense arising out of a re-sale and is not entitled to any resulting profit.

15. The buyer of livestock must pay the agent the full amount of the purchase price in immediate funds on receipt of a tax invoice. Payment is required prior to delivery unless some other time for payment is specified in a written agreement between the buyer and the auctioneer that was made before the fall of the hammer. If, before delivery, payment has not been made then clauses 20 to 23 apply.
16. No person may bid unless, prior to the commencement of the sale, that person has made arrangements satisfactory to the auctioneer for payment for livestock purchased. If bids in breach of this condition are inadvertently accepted, delivery shall not be given until the purchase money is paid and any law, rule or practice to the contrary is accordingly negated as far as possible.
17. (a) Cattle sold on a liveweight basis that are weighed pre-sale are at the risk and expense of the buyer upon the fall of the hammer.
 (b) Cattle sold on a liveweight basis that are weighed post-sale are at the risk and expense of the buyer immediately after weighing.
 (c) All livestock other than cattle sold on a liveweight basis are at the risk and expense of the buyer upon the fall of the hammer.
18. (a) Subject to this clause the sale is complete on the fall of the hammer.
 (b) The time for rejection is the time commencing at the fall of the hammer and ending at the first of:
 (i) delivery is taken by a representative of the buyer;
 (ii) departure of the animal from the purchaser's delivery pen; or
 (iii) one hour after the last animal is:
 a. in the case of pre-sale weighing, sold; or
 b. in the case of post-sale weighing, weighed.
 (c) During the time for rejection the buyer may reject any animal which is lame, blind or diseased where that condition existed prior to the fall of the hammer but could not be reasonably observed when the animal was in the selling pen.
 (d) If the purchaser rejects an animal during the time for rejection then the sale of that animal is cancelled and the animal is returned to the vendor or sold on such terms as any buyer and the agent may agree, after the agent has disclosed the reason for rejection to that buyer.
 (e) This sub-clause applies only to cattle which are sold in Queensland at auction for slaughter. The agent has responsibility for the prevention of loss or escape (but not death, sickness or injury) of those cattle from the time of the fall of the hammer, through delivery to and from the scales, to the buyer's delivery pen and on to the buyer's nominated transport. This responsibility ends at the earlier of those cattle boarding the buyer's nominated transport or sunset on the day after the sale. This sub-clause does not apply if the agent makes an announcement to that effect prior to sale.
19. (a) Subject to the right of rejection in Clause 18, all conditions and warranties expressed or implied by law are hereby excluded from the sale to the extent that the law allows. All lots are open for inspection prior to the commencement of the sale and are sold with all faults, if any. No compensation shall be given for any faults, imperfections, errors of description, number in or of any lots sold or otherwise.
 (b) Any claim or objection arising out of an error or misdescription in the provision of relevant information in terms of legislation or regulation concerning the National Livestock Identification Scheme (NLIS) must be made by 5:00pm on the seventh day after the fall of the hammer. No objection, requisition or claim against the vendor or agent in respect of such error or misdescription can be made after that time.
 (c) Any statements made by the vendor or the auctioneer whether in writing or orally to the effect that any female has been pregnancy tested or scanned positive shall mean and require only that a certificate in writing shall be supplied to the buyer signed by a qualified veterinary surgeon or certified scanner certifying that the said female has been tested or scanned on the date specified in the certificate and that in the opinion of the surgeon or scanner was pregnant on that date.
 (d) For slaughter cattle, the agent undertakes to make every reasonable effort to ensure that any NLIS cattle device number is transferred from the saleyard PIC to the purchaser's PIC on the NLIS database no later than midnight on the day of the sale.
 (e) For other slaughter livestock the agent undertakes to make every reasonable effort to ensure that the NLIS information is transferred from the saleyard PIC to the purchaser's PIC on the NLIS database no later than midnight on the day of the sale.
 (f) Where livestock have a food safety or market eligibility status derived from the National Vendor Declaration (NVD) and/or the NLIS/ERP database, the agent will inform the buyers by presale catalogue and/or announce the status prior to the offering of those lots.
20. If delivery is made to, or possession obtained by, the buyer or its representative before full payment of the Price, then until full payment is received, the buyer:
 (a) does not acquire title to the livestock;
 (b) holds the livestock as bailee only for the vendor;

 (f) may make a bona fide sale for market value of any or all of the livestock. As between the buyer and the subsequent buyer, the sale shall be made by the buyer in its own name and not as agent for the vendor, however as between the vendor and buyer, the sale shall be made as bailee and agent for the vendor; and
 (g) must keep and account for the proceeds of any subsequent sale separately from its other money and hold those proceeds, together with the benefits of any rights against subsequent buyers, on trust for the vendor.
